The Process Mining Market

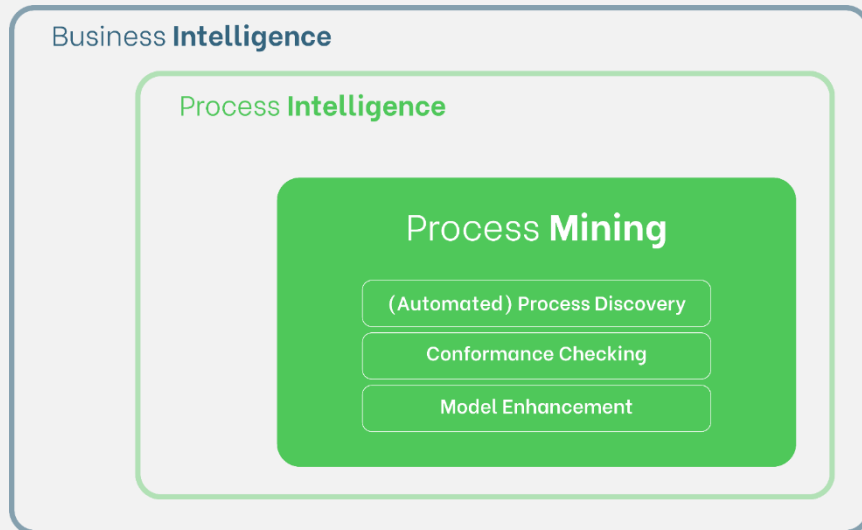

OUR MISSION

We democratize **Process Mining**

PAF puts Process Mining where it belongs.

It's implemented in Power BI.
It's embedded in the Power Platform.
It's seamless integrated in Microsoft 365.

PAF is creating a disruptive future in Process Mining.

THE GPS OF THE MODERN ENTERPRISE.

PAFnow extends Microsoft Power BI with state-of-the-art Process Mining capabilities, allowing Power BI users to enhance their current BI infrastructure with Process Mining.

Through Microsoft Office 365, users can **directly utilize** Microsoft components such as SharePoint/Teams for collaboration, Visio for process design, Quick Insights for AI, PowerApps for production-ready business solutions, as well as Power Automate for workflow automation and RPA, and many more.
