Insights. Customers stay for an  
average of 87 months, 105 months  
for larger customers (2,000+)!

**TECH STACK**

100% Microsoft Based  
(Power BI/Visio/Word/  
Excel/Azure)

**WHY NOW**

Timed with the explosion of the demand for DTO technology. Analysts have seen this market grow 1000% per year in the US and expect this level of growth for the coming five years.

**WHY MAVIM**

Get in on the ground floor of the US expansion. Mavim offers generous stock options and benefits packages. Mavim is currently pre-funding but will quickly be funded with expectations of 50% year over year growth every year for the coming five years.
